## **MAINTENANCE**

To maintain the life of this fabric, all that is required is an occasional wipe with a damp sponge or cloth.

Do not use abrasives, polishes or waxes, solvents, detergents or aerosol sprays.

Upholstered furniture should not be exposed to direct sunlight or excessive heat.

## **COLOUR MATCHING**

Whilst every effort is made to ensure colour consistency, we cannot always guarantee an exact colour match to these samples.

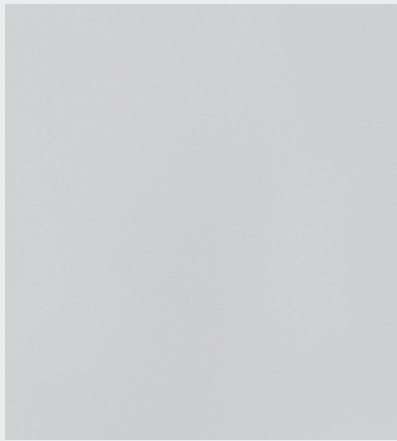

Please examine all lengths for quality and colour before cutting as we cannot accept any liability after the fabric has been cut.
